Langley Research Center Safety Alert

NA-03-91

Date: January 25, 1991

TO: All Facility Safety Heads
All Facility Coordinators

FROM: 429/Safety Manager, Head, Safety Engineering Branch, SSQRD

SUBJECT: Air-Compressor Information

The Federal Facilities Compliance Agreement recently initiated between the Center and EPA requires that certain information regarding Center compressed air distribution systems be provided. To assist with this effort the information shown on the back of this announcement is required for each air compressor located on the Center. Facility Safety Heads are requested to submit this information for each air compressor located in their facilities to this office by February 8, 1991.

Questions regarding this request should be directed to Mr. Greg Sullivan at extension 43373.
